These estimated results have not been audited preliminarily by certified public accountants.

## **III. Explanation for the changes in results**

According to the preliminary estimate of the financial department of the Company, the net profit attributable to the shareholders of the listed company for the nine months ended 30 September 2017 increased by 80%-110% when compared with the corresponding period last year. The main reason for the growth in the Company's results was that the Company disposed the equity interest in Foshan City Shunde District Baohong Property Management Company Limited\*(佛山市順德區寶弘物業管理有限公司) in the third quarter, resulting in a substantial increase in the non-recurring gains or losses. Furthermore, the house-hold air-conditioners business of the Company and the commercial air-conditioners business of Qingdao Hisense Hitachi Air-Conditioning Systems Co., Ltd.\*(青島海信日立空調系統有限公司) continued to maintain rapid growth, leading to improvement in the operating results of the Company.

## **IV. Other Information**

For details of the results of operation of the Company for the nine months ended 30 September 2017, please refer to the information to be disclosed in the 2017 third quarterly report of the Company. Investors should remain cautious about the risks relating to investment.
